QP - Quite Performance Series

THE QUIET COMPRESSED AIR SYSTEM

Ideal for work environments where space is at a premium. The Chicago Pneumatic compressors are built to provide the performance you have come to trust in a new extremely quiet package that can be installed in the work area. A piston air compressor with the noise level of a rotary screw provides exceptional value.

MODEL	RCP581VQP	RCP583VQP	RCP7581VQP	RCP7583VQP

FEATURES

- Low Sound Enclosure
- Low Oil Level Protection
- Automatic Tank Drain
- Magnetic Starter
- Cast Iron Cylinder
- 80 Gallon Vertical ASME/CRN Tank
- 100% Factory Tested at Full Pressure
- High Temperature Shut Down
